

- Inside a car as it falls into a river.
- Chaos underwater, bubbles rise, blurred arms and legs thrash in the water.

END NIGHTMARE SEQUENCE.

INT. MANSION - HENRY'S ROOM - MORNING

Henry wakes drenched in sweat. He shivers from the cold.

INT. MANSION - VAL'S ROOM - MORNING

Val sits on the edge of her bed and rubs her temples. She lets out a groan.

VAL
Ugh, my head.

She walks to the bathroom.

INT. MANSION - VAL'S BATHROOM - MORNING - CONTINUOUS

Val stands in front of the sink and mirror.

She splashes her face with cold water and dries it. She spots a small pimple on her forehead and pushes on either side of it with no luck. *

VAL
Great.

Val begins brushing her teeth. She closes her eyes for a beat and hears - CLANK! The CLATTER of a hard, small object hitting the porcelain sink. *

Val looks in the sink - a small tooth with a thin line of blood trailing behind it. She carefully pulls her toothbrush out of her mouth, the fizzy, white foam mixed with red blood. *

She twists her tongue around her mouth and HEARS a tooth swimming around, rattling against her other teeth.

Val reaches in and pulls out a rotten molar covered in blood. Her eyes widen. She opens her mouth and pulls her tongue to the side - her other teeth fall out, CLANKING against the porcelain sink. *

A patch of burnt skin appears on her cheek. Her reflection flickers... Val screams through her foamy, bloody mouth.

She looks in the sink - THE TEETH ARE GONE. She stares into the mirror - HER MOUTH IS NORMAL but covered in toothpaste foam. She clutches her toothbrush. She pants as she looks around the room.

KNOCK! KNOCK! On her bedroom door. She quickly rinses her mouth and goes to the door.

INT. MANSION - UPSTAIRS HALLWAY - DAY - CONTINUOUS

Val opens the door to find Ian on the other side. Ian notices her flushed face and bloodshot eyes.

IAN
Are you okay?

VAL
(lying)
Yea, I'm fine.

IAN
I wanted to say sorry about last night. I drank too much.

Val's head tilts.

VAL
What're you talking about?

IAN
Last night... when you came to my room.

VAL
I didn't go to your room.

Ian squints his eyes.

IAN
You did after everyone went to bed.

Val shrugs. Ian stares, slack-jawed.

VAL
Babe, I can't do practical jokes right now... I feel like I'm gonna barf. Whatever it was I'm sure it's fine.

Ian nods.

IAN
Okay, yeah. I'll see you downstairs.

Val gives him a peck on the lips and closes the door. Ian stares at the ceiling a beat.

INT. MANSION - VAL'S ROOM - DAY - CONTINUOUS

Val pauses by the door. She touches her teeth, confirming they're still there and lets out a sigh of relief.

INT. MANSION - UPSTAIRS HALLWAY - DAY

Henry fidgets with his fingers while he walks. He has dark circles under his eyes.

As he approaches The Professor's office he hears two voices arguing inside. He knocks.

HENRY
Professor?

PROFESSOR HART (O.S.)
Come in!

*

Henry pushes the door open.

INT. MANSION - PROFESSOR'S OFFICE - DAY - CONTINUOUS

The Professor spins around in his chair.

PROFESSOR HART
Mr. Gray! Come in.

Henry enters. The Professor is alone.

HENRY
Were you talking to someone?

PROFESSOR HART
Hm?

HENRY
I thought I heard talking.

The Professor shrugs.
